The master funds are not publicly offered; certain information is provided as required by US Securities and Exchange Commission regulations. Information regarding related feeder money market funds is available by contacting UBS Asset Management at 888-793-8637 or by visiting <http://www.ubs.com/usmoneymarketfunds>.

Investors in the fund should read and carefully consider the investment objective, risks, charges and expenses before investing. The fund's Registration Statement – Part A contains this and other information about the fund. Contact the UBS Asset Management National Sales Desk at 888-793-8637 for a current Part A. An investment in the fund is only one component of a balanced investment plan.

**Investors should note that current and future portfolio holdings are subject to risk.**

**You could lose money by investing in a money market fund. Because the price of interests in a money market master fund will fluctuate, when you sell your shares of the related feeder fund, your shares of the related feeder fund may be worth more or less than what you originally paid for them. A money market master fund may impose a fee upon sale of your shares of each related feeder fund or may temporarily suspend your ability to sell shares of each related feeder fund if a money market master fund's liquidity falls below required minimums because of market conditions or other factors. An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation ("FDIC") or any other government agency. A money market fund's sponsor has no legal obligation to provide financial support to a money market fund, and you should not expect that the fund's sponsor will provide financial support to a money market fund at any time.**

**Not FDIC insured. May lose value. No bank guarantee.**

The fund is actively managed, and its holdings are subject to change and should not be considered a recommendation to buy or sell individual securities.

UBS Asset Management (US) Inc. is the master fund's placement agent.

U.S. Treasury Repurchase Agreements are collateralized only by U.S. Treasuries (including Strips) and cash.

U.S. Government Agency Repurchase Agreements are collateralized only by U.S. Government Agency securities, U.S. Treasuries, and/or cash.

Other Repurchase Agreements are collateralized by securities other than U.S. Treasuries, U.S. Government Agency securities and cash.

**\*% of Total**

Represents the percentage of the total principal amount of the securities in the portfolio.

# Prime Master Fund

Schedule of Investments (Unaudited Holdings as of 07/31/2020)

Presented below is the monthly portfolio holdings report for Master Trust - Prime Master Fund (the "Master Fund"). Each of the funds in the UBS Select Prime series is a "feeder fund" that invests in individual money market securities through the Master Fund.

Weighted Average Maturity: 47 days

Weighted Average Life: 60 days

The master funds are not publicly offered; certain information is provided as required by US Securities and Exchange Commission regulations. Information regarding related feeder money market funds is available by contacting UBS Asset Management at 888-793-8637 or by visiting <http://www.ubs.com/usmoneymarketfunds>.

Investors in the fund should read and carefully consider the investment objective, risks, charges and expenses before investing. The fund's Registration Statement – Part A contains this and other information about the fund. Contact the UBS Asset Management National Sales Desk at 888-793-8637 for a current Part A. An investment in the fund is only one component of a balanced investment plan.

**Investors should note that current and future portfolio holdings are subject to risk.**

**You could lose money by investing in a money market fund. Because the price of interests in a money market master fund will fluctuate, when you sell your shares of the related feeder fund, your shares of the related feeder fund may be worth more or less than what you originally paid for them. A money market master fund may impose a fee upon sale of your shares of each related feeder fund or may temporarily suspend your ability to sell shares of each related feeder fund if a money market master fund's liquidity falls below required minimums because of market conditions or other factors. An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation ("FDIC") or any other government agency. A money market fund's sponsor has no legal obligation to provide financial support to a money market fund, and you should not expect that the fund's sponsor will provide financial support to a money market fund at any time.**

**Not FDIC insured. May lose value. No bank guarantee.**

The fund is actively managed, and its holdings are subject to change and should not be considered a recommendation to buy or sell individual securities.

UBS Asset Management (US) Inc. is the master fund's placement agent.

U.S. Treasury Repurchase Agreements are collateralized only by U.S. Treasuries (including Strips) and cash.

U.S. Government Agency Repurchase Agreements are collateralized only by U.S. Government Agency securities, U.S. Treasuries, and/or cash.

Other Repurchase Agreements are collateralized by securities other than U.S. Treasuries, U.S. Government Agency securities and cash.

**\*% of Total**

Represents the percentage of the total principal amount of the securities in the portfolio.

# Prime Master Fund

Schedule of Investments (Unaudited Holdings as of 06/30/2020)

Presented below is the monthly portfolio holdings report for Master Trust - Prime Master Fund (the "Master Fund"). Each of the funds in the UBS Select Prime series is a "feeder fund" that invests in individual money market securities through the Master Fund.

Weighted Average Maturity: 36 days

Weighted Average Life: 48 days

The master funds are not publicly offered; certain information is provided as required by US Securities and Exchange Commission regulations. Information regarding related feeder money market funds is available by contacting UBS Asset Management at 888-793-8637 or by visiting <http://www.ubs.com/usmoneymarketfunds>.

Investors in the fund should read and carefully consider the investment objective, risks, charges and expenses before investing. The fund's Registration Statement – Part A contains this and other information about the fund. Contact the UBS Asset Management National Sales Desk at 888-793-8637 for a current Part A. An investment in the fund is only one component of a balanced investment plan.

**Investors should note that current and future portfolio holdings are subject to risk.**

You could lose money by investing in a money market fund. Because the price of interests in a money market master fund will fluctuate, when you sell your shares of the related feeder fund, your shares of the related feeder fund may be worth more or less than what you originally paid for them. A money market master fund may impose a fee upon sale of your shares of each related feeder fund or may temporarily suspend your ability to sell shares of each related feeder fund if a money market master fund's liquidity falls below required minimums because of market conditions or other factors. An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation ("FDIC") or any other government agency. A money market fund's sponsor has no legal obligation to provide financial support to a money market fund, and you should not expect that the fund's sponsor will provide financial support to a money market fund at any time.

**Not FDIC insured. May lose value. No bank guarantee.**

The fund is actively managed, and its holdings are subject to change and should not be considered a recommendation to buy or sell individual securities.

UBS Asset Management (US) Inc. is the master fund's placement agent.

U.S. Treasury Repurchase Agreements are collateralized only by U.S. Treasuries (including Strips) and cash.

U.S. Government Agency Repurchase Agreements are collateralized only by U.S. Government Agency securities, U.S. Treasuries, and/or cash.

Other Repurchase Agreements are collateralized by securities other than U.S. Treasuries, U.S. Government Agency securities and cash.

**\*% of Total**

Represents the percentage of the total principal amount of the securities in the portfolio.

# Prime Master Fund

Schedule of Investments (Unaudited Holdings as of 05/31/2020)

Presented below is the monthly portfolio holdings report for Master Trust - Prime Master Fund (the "Master Fund"). Each of the funds in the UBS Select Prime series is a "feeder fund" that invests in individual money market securities through the Master Fund.

Weighted Average Maturity: 36 days

Weighted Average Life: 53 days

The master funds are not publicly offered; certain information is provided as required by US Securities and Exchange Commission regulations. Information regarding related feeder money market funds is available by contacting UBS Asset Management at 888-793-8637 or by visiting <http://www.ubs.com/usmoneymarketfunds>.

Investors in the fund should read and carefully consider the investment objective, risks, charges and expenses before investing. The fund's Registration Statement – Part A contains this and other information about the fund. Contact the UBS Asset Management National Sales Desk at 888-793-8637 for a current Part A. An investment in the fund is only one component of a balanced investment plan.

**Investors should note that current and future portfolio holdings are subject to risk.**

**You could lose money by investing in a money market fund. Because the price of interests in a money market master fund will fluctuate, when you sell your shares of the related feeder fund, your shares of the related feeder fund may be worth more or less than what you originally paid for them. A money market master fund may impose a fee upon sale of your shares of each related feeder fund or may temporarily suspend your ability to sell shares of each related feeder fund if a money market master fund's liquidity falls below required minimums because of market conditions or other factors. An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation ("FDIC") or any other government agency. A money market fund's sponsor has no legal obligation to provide financial support to a money market fund, and you should not expect that the fund's sponsor will provide financial support to a money market fund at any time.**

**Not FDIC insured. May lose value. No bank guarantee.**

The fund is actively managed, and its holdings are subject to change and should not be considered a recommendation to buy or sell individual securities.

UBS Asset Management (US) Inc. is the master fund's placement agent.

U.S. Treasury Repurchase Agreements are collateralized only by U.S. Treasuries (including Strips) and cash.

U.S. Government Agency Repurchase Agreements are collateralized only by U.S. Government Agency securities, U.S. Treasuries, and/or cash.

Other Repurchase Agreements are collateralized by securities other than U.S. Treasuries, U.S. Government Agency securities and cash.

**\*% of Total**

Represents the percentage of the total principal amount of the securities in the portfolio.

# Prime Master Fund

Schedule of Investments (Unaudited Holdings as of 04/30/2020)

Presented below is the monthly portfolio holdings report for Master Trust - Prime Master Fund (the "Master Fund"). Each of the funds in the UBS Select Prime series is a "feeder fund" that invests in individual money market securities through the Master Fund.

Weighted Average Maturity: 27 days

Weighted Average Life: 53 days

The master funds are not publicly offered; certain information is provided as required by US Securities and Exchange Commission regulations. Information regarding related feeder money market funds is available by contacting UBS Asset Management at 888-793-8637 or by visiting <http://www.ubs.com/usmoneymarketfunds>.

Investors in the fund should read and carefully consider the investment objective, risks, charges and expenses before investing. The fund's Registration Statement – Part A contains this and other information about the fund. Contact the UBS Asset Management National Sales Desk at 888-793-8637 for a current Part A. An investment in the fund is only one component of a balanced investment plan.

**Investors should note that current and future portfolio holdings are subject to risk.**

**You could lose money by investing in a money market fund. Because the price of interests in a money market master fund will fluctuate, when you sell your shares of the related feeder fund, your shares of the related feeder fund may be worth more or less than what you originally paid for them. A money market master fund may impose a fee upon sale of your shares of each related feeder fund or may temporarily suspend your ability to sell shares of each related feeder fund if a money market master fund's liquidity falls below required minimums because of market conditions or other factors. An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation ("FDIC") or any other government agency. A money market fund's sponsor has no legal obligation to provide financial support to a money market fund, and you should not expect that the fund's sponsor will provide financial support to a money market fund at any time.**

**Not FDIC insured. May lose value. No bank guarantee.**

The fund is actively managed, and its holdings are subject to change and should not be considered a recommendation to buy or sell individual securities.

UBS Asset Management (US) Inc. is the master fund's placement agent.

U.S. Treasury Repurchase Agreements are collateralized only by U.S. Treasuries (including Strips) and cash.

U.S. Government Agency Repurchase Agreements are collateralized only by U.S. Government Agency securities, U.S. Treasuries, and/or cash.

Other Repurchase Agreements are collateralized by securities other than U.S. Treasuries, U.S. Government Agency securities and cash.

**\*% of Total**

Represents the percentage of the total principal amount of the securities in the portfolio.

# Prime Master Fund

Schedule of Investments (Unaudited Holdings as of 03/31/2020)

Presented below is the monthly portfolio holdings report for Master Trust - Prime Master Fund (the "Master Fund"). Each of the funds in the UBS Select Prime series is a "feeder fund" that invests in individual money market securities through the Master Fund.

Weighted Average Maturity: 16 days

Weighted Average Life: 58 days

*The master funds are not publicly offered; certain information is provided as required by US Securities and Exchange Commission regulations. Information regarding related investors in the fund should read and carefully consider the investment objective, risks, charges and expenses before investing. The fund's Registration Statement – Part A*

**Investors should note that current and future portfolio holdings are subject to risk.**

**You could lose money by investing in a money market fund. Because the price of interests in a money market master fund will fluctuate, when you sell your shares of the related feeder fund, your shares of the related feeder fund may be worth more or less than what you originally paid for them. A money market master fund may impose a fee upon sale of your shares of each related feeder fund or may temporarily suspend your ability to sell shares of each related feeder fund if a money market master fund's liquidity falls below required minimums because of market conditions or other factors. An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation ("FDIC") or any other government agency. A money market fund's sponsor has no legal obligation to provide financial support to a money market fund, and you should not expect that the fund's sponsor will provide financial support to a money market fund at any time.**

**Not FDIC insured. May lose value. No bank guarantee.**

The fund is actively managed, and its holdings are subject to change and should not be considered a recommendation to buy or sell individual securities.

UBS Asset Management (US) Inc. is the master fund's placement agent.

U.S. Treasury Repurchase Agreements are collateralized only by U.S. Treasuries (including Strips) and cash.

U.S. Government Agency Repurchase Agreements are collateralized only by U.S. Government Agency securities, U.S. Treasuries, and/or cash.

Other Repurchase Agreements are collateralized by securities other than U.S. Treasuries, U.S. Government Agency securities and cash.

**\*% of Total**

Represents the percentage of the total principal amount of the securities in the portfolio.
