A money market master fund may impose a fee upon sale of your shares of each related feeder fund or may temporarily suspend your ability to sell shares of each related feeder fund if a money market master fund's liquidity falls below required minimums because of market conditions or other factors. An investment in a money market fund is not insured or guaranteed by the Federal Deposit Insurance Corporation ("FDIC") or any other government agency. A money market fund's sponsor has no legal obligation to provide financial support to a money market fund, and you should not expect that the fund's sponsor will provide financial support to a money market fund at any time.
